ASHIL ANTO

QA Automation Engineer • MCA Candidate • Kerala, India

+91 9037129026 • ashil555anto@gmail.com • linkedin.com/in/ashil-anto

PROFESSIONAL SUMMARY

QA professional and MCA candidate with over two years of hands-on industry experience at Deloitte Consulting, specializing in QA automation and functional testing across Insurance and Telecom sectors. Proficient in designing, developing, and executing test frameworks using Selenium, Cypress, Cucumber, and Postman, with solid exposure to Agile/SDLC environments. Adept at identifying defects early in the development cycle, reducing release risk, and collaborating cross-functionally to deliver high-quality software. Eager to leverage technical expertise and academic foundation to contribute to innovative, quality-focused technology teams.

WORK EXPERIENCE

Deloitte Consulting India Pvt. Ltd. *February 2023 – June 2025*

Associate Analyst

- Designed and maintained automated test suites using Selenium WebDriver and Cypress, significantly reducing manual regression effort and accelerating release cycles.
- Collaborated with business analysts and developers in Agile sprints to review requirements, author test cases, and ensure comprehensive test coverage for complex enterprise applications.
- Executed end-to-end functional testing, regression testing, and smoke testing for client-facing and back-end systems, logging and tracking defects via JIRA and HP ALM QC.
- Performed API testing using Postman, ensuring data integrity across system integrations.
- Produced detailed test reports and defect metrics to provide visibility into quality status for project leads and client stakeholders.

KEY PROJECTS

Allianz Global Corporate & Specialty (AGCS) *QA Automation & Functional Tester*

- Automated end-to-end insurance policy workflows using Selenium and TestNG, achieving significant reduction in regression test execution time across multiple release cycles.
- Executed functional and integration tests for policy management modules, identifying and documenting critical defects prior to production releases.

United States Cellular Corp (US Cellular) *QA Functional Tester*

- Conducted comprehensive functional testing of telecom onboarding and billing systems across multiple Agile sprint cycles.
- Managed test case creation, execution, and defect tracking in HP ALM QC, ensuring full traceability from requirements through to sign-off.
- Coordinated with onshore and offshore teams to align testing timelines and proactively communicate risk areas to project management.

ACCADEMIC PROJECTS

FISAT Smart Campus Automation System

- An enterprise-grade IoT solution engineered for modern multi-zone educational institutions. Built specifically for FISAT, the platform coordinates physical classroom infrastructure, intelligent occupancy automation, digital campus communication, and high-precision AC power analytics.

GridSense (IoT-Based Low-Voltage Feeder Fault Detection, Monitoring & Intelligent Reporting)

- An advanced, distributed IoT Supervisory and Fault Detection/Monitoring system engineered for low-voltage electric distribution feeders (modelled on KSEB feeder topologies).

EDUCATION

Master of Computer Applications — *Present*
Federal Institute of Science and Technology (FISAT), Angamaly, Kerala

Bachelor of Computer Applications — *2022*
Naipunnya Institute of Management and Information Technology, Thrissur, Kerala

Higher Secondary — *2019*
NSS Higher Secondary School, Manickamangalam, Kerala

TECHNICAL SKILLS

Programming Languages: Java (Project Experience), JavaScript, Python, PHP, C++, C
Test Automation Frameworks: Selenium WebDriver, Cypress, Cucumber (BDD), TestNG, JUnit
Frontend: React, React Native, Angular JS
Databases: MySQL, MongoDB, PostgreSQL
Test & Project Management: JIRA, HP ALM Quality Center (QC)
Productivity & Design Tools: Microsoft Excel, Word, PowerPoint, Adobe Photoshop, Figma
Languages: Malayalam (Native), English (Proficient), Hindi (Conversational)

INTERESTS

Digital & Tech: Embedded IoT system designing, building custom FPV drones, developing personalized apps and electronic devices.

DECLARATION

I hereby declare that all the information shared above is true to the best of my knowledge and belief. I take full responsibility for the accuracy of the details mentioned in this resume.

Ashil Anto Angamaly, Kerala 15 October 2026
