SIVAGANGA S NAIR

Full-Stack Developer | MCA Candidate

+91 9383449688 | Kerala, India | sivagangaaa123@gmail.com | github.com/sivagangaaa123

PROFESSIONAL SUMMARY

Motivated MCA candidate with a strong foundation in Java, Python, PHP, React.js, Node.js, MySQL, and MongoDB. Experienced in building full-stack web applications, utilizing Git and GitHub for version control, and solving complex algorithmic challenges. Adept at designing scalable relational schemas and responsive front-end interfaces. Eager to leverage practical technical knowledge and academic foundation to contribute to innovative software engineering teams as a Software Developer, Java Developer, or Full-Stack Developer.

KEY PROJECTS

Catering and Event Management System **Python, Django**

- Developed an end-to-end web-based platform engineered to automate catering operations and event decoration management.
- Implemented core application features including booking workflows, order processing pipelines, user authentication, and automated notifications.
- Optimized operational efficiency and service coordination through structured database management and streamlined backend routines.

Online Dental Care **PHP, MySQL**

- Developed a comprehensive digital healthcare management platform to administer dental care services and patient interactions.
- Designed a responsive, user-friendly interface supported by robust relational database functionalities and query optimization.
- Enhanced appointment accessibility and operational tracking in delivering online medical services.

EDUCATION

Federal Institute of Science and Technology (FISAT), Kerala **2025 – 2027**

Master of Computer Applications (MCA) *CGPA (Semester 2): 9.09 / 10*

St. Kuriakose College of Management and Science, Mahatma Gandhi University **2022 – 2025**

Bachelor of Computer Applications (BCA) *CGPA: 8.50 / 10*

TECHNICAL SKILLS

Programming Languages: Java, Python, PHP, C++, C, JavaScript

Frontend: HTML5, CSS3, React.js, Bootstrap

Backend: Node.js, Django

Databases: MySQL, MongoDB

Tools & Platforms: Git, GitHub, VS Code, REST APIs

CERTIFICATIONS & TRAINING

- **Cloud Computing Certification:** NPTEL
- **Application Development:** HTML5 Application Development Certification & Java Certification
- **Full-Stack Training Program:** React.js and Node.js Training Program conducted at FISAT
- **Version Control:** Collaborative development and Git/GitHub repository management
- **Problem-Solving Training:** Data structures and algorithmic problem solving on LeetCode and Codeforces

ACHIEVEMENTS & LEADERSHIP

- **Best Outgoing Achiever Award:** Conferred during the Bachelor of Computer Applications (BCA) program for academic and extracurricular excellence.
- **Community Engagement:** Active volunteer in the National Service Scheme (NSS), contributing to social development initiatives and camps.

INTERESTS

Digital & Tech: Software development, problem-solving, learning new technologies, and building practical software applications.

DECLARATION

I hereby declare that all the information shared above is true to the best of my knowledge and belief. I take full responsibility for the accuracy of the details mentioned in this resume.
